**NOTICE OF RELINQUISHMENT OF
ELIGIBLE TELECOMMUNICATIONS CARRIER DESIGNATION**

New Talk, Inc., (New Talk), pursuant to 47 U.S.C. § 214(e)(4) and 47 C.F.R. § 54.205, hereby respectfully notifies the Federal Communications Commission (Commission) that New Talk has requested that the Alabama Public Service Commission approve the relinquishment its eligible telecommunications carrier (ETC) designation in Alabama (study area code 449029), effective August 31, 2014. In support of this notification, New Talk provides the following information.

New Talk was designated as an ETC in Alabama on June 12, 2008. Section 214(e)(4) of the Communications Act, as amended, requires the Commission to permit a Commission-designated ETC to relinquish its designation in any area served by more than one ETC. New Talk currently has no customers in Alabama. Therefore, no customer notice is necessary, and no customers in the study areas will be affected by this relinquishment. To the best of New Talk's

knowledge, no ETC will be required to purchase or construct facilities to continue providing service to former New Talk customers post relinquishment.

A copy of the request to relinquish ETC designation in Alabama is attached hereto as Attachment 1.

For the reasons provided above, New Talk requests that the Commission promptly accept the relinquishment of New Talk's ETC designation in Alabama (SAC 259005), Kentucky (SAC effective August 31, 2014).

Respectfully submitted,
